

# The 7th International Conference on Mechatronics and Mechanical Engineering

## Call For Papers

Singapore | November 27-29, 2020 \*Submission deadline | October 10,2020

ICMME is pleased to announce its 7th edition (The 7th International Conference on Mechatronics and Mechanical Engineering) in Singapore on November 27-29, 2020. Since the conference was held in 2014, all the proceedings have been published online and were indexed by the EI Compendex about 4 months after the conference. Considering the impact of the COVID-19, this conference supports online presentation. Looking forward to your submission and participation!

### PROCEEDINGS

All accepted papers will be published with **MATEC Web of Conferences** (ISSN: 2261-236X), which is indexed by **EI Compendex**, Inspec, DOAJ, Web of Science (CPCI), etc. The proceedings of ICMME2018-2019 indexed by EI Compendex already. The proceedings of ICMME2014-2017 indexed by EI Compendex and Scopus

### HISTORY

ICMME2019 | Osaka, Japan | November 27-30, 2019

### TOPICS

Mechanical Engineering	Applied Mechanics
Aerodynamics	Mechanical Engineering
Aerodynamics	Energy Management
Automation	Fuels and Combustion
Biomechanics	Industrial Tribology
Fluid Dynamics	Heat and Mass Transfer
Green Manufacturing	Intelligent Control
System Integration	Mechatronics
Micro-Machining	Modeling of Processes
Nano- Technology	Optimization of Systems
Reverse Engineering	Solid Mechanics
Modeling and Design	Micro Mechatronics
Robotics	Advanced Manufacturing
Mechatronics Engineering	
Aerospace Systems and Technology	
Aerospace Systems and Technology	
Sensors and Actuators and Networks	
Robotics, Mobile Platforms, Unmanned Vehicles	
Automotive and Transportation Systems	
Renewable and Non-Renewable Energies	
Fault detection and Diagnosis in Mechatronics Systems
